QUICKSIGHT MIGRATION PARTNER

One of our healthcare clients was looking to migrate their MicroStrategy platform to Amazon QuickSight. Brooksource delivered a customized solution that leveraged our Professional Services and Elevate program to execute on the migration roadmap. Amazon QuickSight will now support 50+ of our client's top customers.

DISCOVERY

- ▶ Complexity of MicroStrategy platform
- ▶ Expectation of performance enhancements after migration

SOLUTIONS

Deliverable-based engagement migrating 115 MicroStrategy BI reports to Quicksight

- ▶ Conversion and consolidation of existing reports to QuickSight dashboards.
- ▶ Create database schema and datasets to support Quicksight dashboards.
